**AMENDMENT REQUESTING ENTRY OF SEQUENCE LISTING
INTO SPECIFICATION OF APPLICATION**

Dear Sir:

In response to the Notification of Missing Requirements Under 35 USC 371 In the United States Designated/Elected Office, Applicant respectfully requests that the following amendment be entered.

In the Specification

Please add the Sequence Listing information printed on the paper copy of the computer readable disk attached hereto, which contains Sequence I.D. Nos. 1-9, and which is marked Judith Schanke, et al., to the specification immediately after claim 58 in the application.
